

ACUITY ELM

COLLABORATION NETWORK

Improve consistency of legal representation and quality of outcomes by putting vital intelligence at your team's fingertips - wherever they are, whenever they need it.

Legal departments rely on smart people, spectacular teamwork, and crystal clear communication. But there's a limit to how well your department can work together without the right tools.

Acuity's Collaboration Network connects your team through an encrypted remote-access system, so they can instantly share documents, strategies, best practices and more. Ensure that everyone - from new team members to seasoned outside counsel - is always in lockstep alignment.

COLLABORATION NETWORK ADVANTAGE

- Central location for documents
- Collaborate from anywhere, at any time
- Secure, encrypted communication
- Proprietary database of experts for competitive edge
- Keep everyone on the same page with event calendar
- Make best practice the only practice

ACUITY'S COLLABORATION NETWORK FOSTERS CONSISTENT LEGAL REPRESENTATION AND HIGH QUALITY OUTCOMES.

- **Establish guidelines** to store briefs, correspondence and key legal memoranda.
- **Review witness, mediator, judge and opposing counsel profiles** in Acuity's proprietary database.
- **Schedule events** and stay up to date on trials, depositions, contract deadlines and more.
- **Eliminate redundant fees** by relying on standardized best practice templates.
- **Connect team members** and share common files for upcoming trials, meetings and events.
- **Encourage lockstep alignment of in-house and outside counsel** throughout the entire matter lifecycle.
- Facilitate quick ramp-up of new legal team members.
- **Foster consistent, reliable communication** with outside counsel.
